Community Pitch Night

Thank you for your interest in our Community Pitch Night. This form is for expressing your interest in attending and, if you wish, applying for one of the 10 pitching spots available.

About the Event Our Community Pitch Night is an exciting opportunity for community projects and innovative ideas to gain support and funding. We will select 10 presenters from the applications received to deliver a **five-minute pitch** about their project to an audience of community members and a grants committee. All applications will be reviewed by our Grant Committee to select the presenters.

However, we warmly invite everyone to join us as general attendees (up to our event capacity). It's a fantastic opportunity to connect with other values-driven members of the community, mingle with local leaders, and explore potential collaborations. Food and drinks will be provided.

Please note that due to venue capacity, submitting this form expresses your interest in attending. We will email all applicants with a final confirmation of their attendance closer to the event date.

The highlight of the evening is the community vote! All attendees will have the chance to vote for the project they believe is most deserving. The results of the vote will be accounted for by the Grant Committee when allocating the total funding pool available on the night.
